

Session Title: How to Answer the BIG Question: Is it working?

Presenter: Alisha Schiltz, PhD, NCSP

Date: Thursday, Oct. 25, 2018

Time: 10:40 - 12:10 PM

Objectives:

1. Participants will know the difference between implementation and outcome measures.
2. Participants will know processes and procedures in order to evaluate the fidelity of Restorative Practices.
3. Participants will be able to review their plan for Restorative Practices implementation and identify data sources for evaluation, including implementation and outcome measures.

Time	Topic	Resources
10:40	Welcome	
10:50	Implementation Stages	Implementation Stages
11:05	Implementation Drivers	Implementation Drivers
11:20	Types of data used for evaluation <input type="checkbox"/> Implementation <input type="checkbox"/> Outcome	
11:35	Evaluation Planning	Compelling Why Examples Smart Goals Tools CHCCS Implementation Plan Implementation Guide Restorative reflections Evaluation Report
12:05	Questions?
