IIRP Guiding Principles

Principle 1.
Participation achieved through cooperation rather than coercion.

Principle 2.
Face-to-face participation of those directly affected.

Principle 3.
Those directly affected determine the outcome.
Principle 4. Fair process including equal access and informed consent.

Principle 5. Best practices must be demonstrated through research.

Principles are expressed as ideals, so each statement should end with the qualifying phrase ..... “as much as possible.”

Value of Accreditation

• All of our training is fully accredited
• Keeps us on our toes
• Helps us:
  ✓ Ensure quality of training delivered
  ✓ Develop Trainers Skills & Knowledge
  ✓ Provide good follow up services
  ✓ Provide a measure for purchasers
Developments in the UK

• Best Practice Guidance
• National Occupational Standards
• University of Chester
### Purpose
Prepare, facilitate and evaluate processes to address harm by bringing victims / persons harmed, offenders / perpetrators and any other stakeholders into dialogue

### Key Roles

<p>| | |</p>
<table>
<thead>
<tr>
