

Positive Behavior Intervention and Support (Best Behavior) is....

What parents, teachers, peers and others do to increase student success---the whole village!

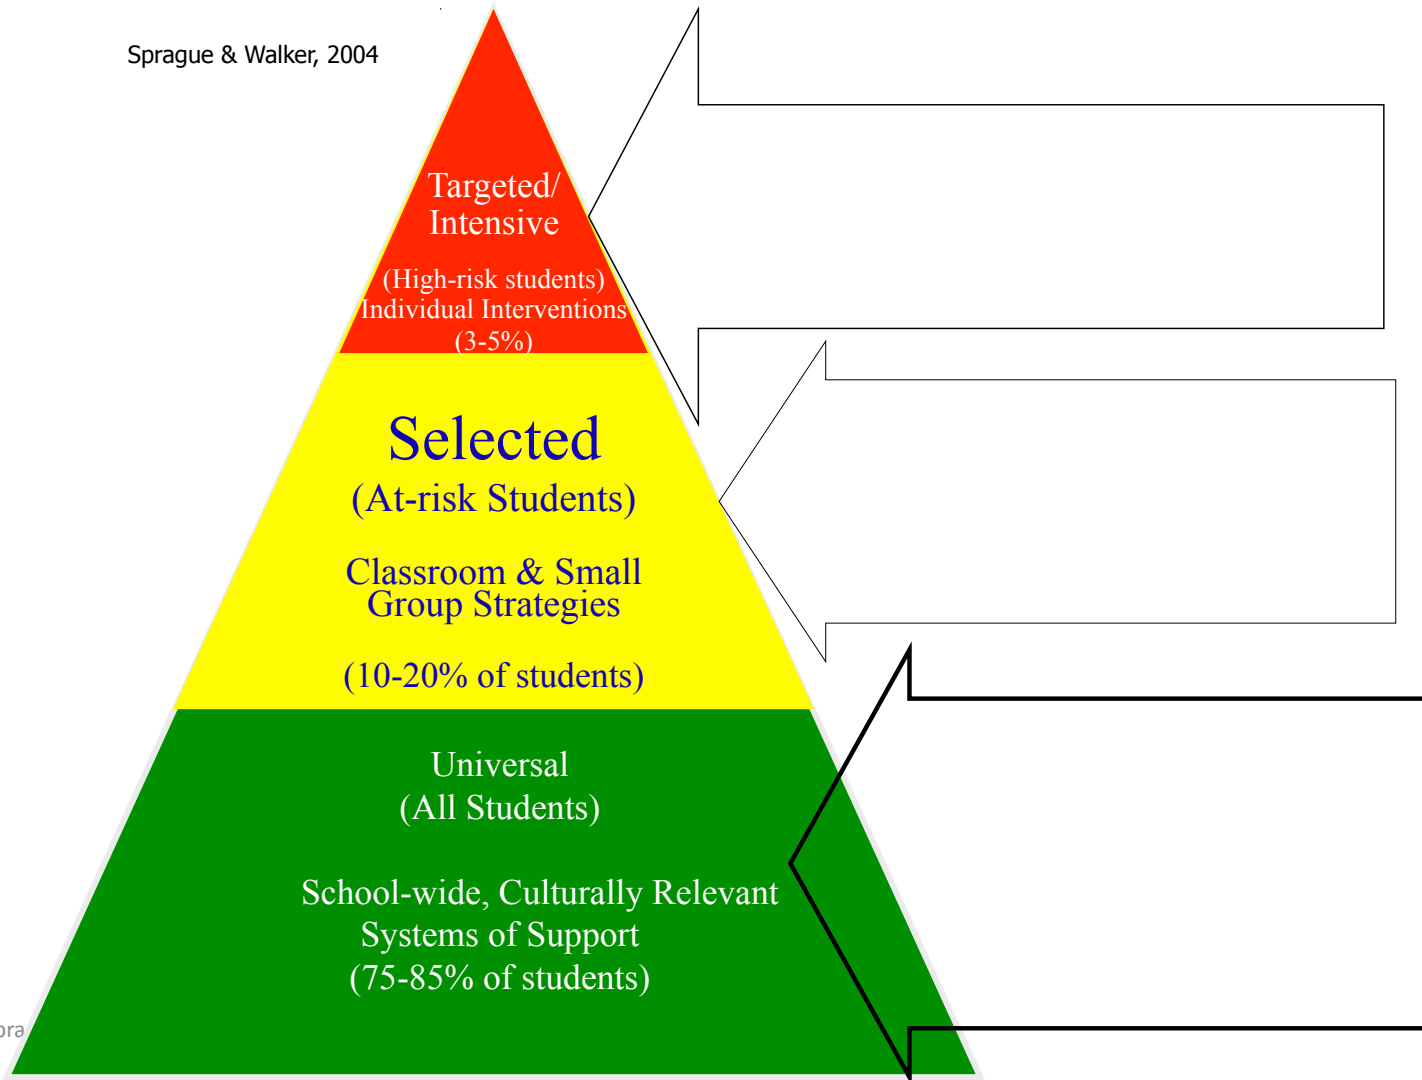

School Wide Positive Behavior Interventions and Supports is....

- A systems-based strategy to create a “host environment” in schools to reduce problem behaviors
 - Three-tier intervention logic
 - Behavioral interventions
 - Team-based planning and implementation
 - Systematic use of student-level behavior data to support decisions and improve program implementation
 - Systematic use of intervention fidelity assessments to guide implementation
