Partner Engagement Worksheet

What's In It For Me?

Complete this worksheet for each possible partner you see as a potential asset to your restorative practices program BEFORE approaching that partner. Update as needed and use it to inform your invitation to collaborate and to shape ongoing communications.

- 1. Potential partner agency or group affiliation:
- 2. Contact person name, title or role within this group or agency:
- 3. What can they contribute to my program?

4. What is their mission (agency/division mission as well as personal goals)?

5. What are their interests related to my program's work?

6. What else is important to them? (e.g. – values, positive publicity, legacy, personal image)

7. How can I help them achieve their mission?

8. How can my program and I help them meet their group's/agency's interests?

9. How can my program and I help them meet their personal interests?
