Project Background

- 4+ Year Evolution from Inner City Albany Youth Violence Intervention Restorative Conferencing Project toward...
- NYS Operation SNUG/Chicago CeaseFire Violence Interruption Model with Albany Medical Center Hospital Component....
- with parallel efforts to implement Harlem Children's Zone model in Albany Schools

Simple Concepts

STOP KILLING PEOPLE

WHATEVER IT TAKES

Stop. Killing. People.

Not one more innocent. Not one more
 child. Not one more soldier.
 If you're tired of the endless cycle of violence,
 if you're sick and ready to do something
 to end it, we're with you.

Give us up for life.
